## DÄCKPOLISH

Biltema Tire Shine Trigger

### **Description**

A multi-purpose exterior trim, bumper and tyre treatment with premium colour and shine enhancers. The liquid "wipe-on" formula ensures an even, long lasting coverage.

### **Directions for Use:**

Wash surface to be treated

Product can be applied using the supplied trigger applicator and spread using a brush, sponge or cloth.

Apply to area and leave to dry to a high shine streak free finish.

NOTE: For safety reasons do not use on steering wheels, foot pedals, tyre treads or brake components.
